Athletic Guidelines for Elementary Schools

MISSION STATEMENT

Our purpose is to provide an opportunity for young people to play sports. We foster the development of the whole child in the sense of a sound mind in a sound body emphasizing the development of Catholic identity in each child. We recognize the importance of a Christian atmosphere, one in which the players, coaches, and fans will be able to see Christ reflected in each other. We aim to do this in the most pleasant and safe surroundings available, and with the complete cooperation and support of those adults who share our aims for our young people.

ARCHDIOCESAN ATHLETIC BOARD

In order to maintain appropriate governance guidelines for the various Catholic School athletic leagues found within the Archdiocese of Newark, a Board will be appointed by the Archdiocesan Superintendent of Schools.

The Board will consist of:

- Associate/Assistant Superintendent of Newark Archdiocesan Schools
- Four elementary school principals, one from each county (Bergen Essex, Hudson and Union)
- CYO General Director or designee

The Board is assigned the responsibility of an annual review of sports policy guidelines, and as needed a recommendation review of situations and events occurring in Catholic elementary school sports leagues as directed by the Archdiocesan Superintendent of Schools.

Mandated requirement

All Catholic schools within the Archdiocese of Newark may not join any league which permits co-ed team in contact sport above the 3rd grade

POINTS OF EMPHASIS

1. **PRAYER** – Prayer is encouraged with young people in Archdiocesan leagues. Before a game or a practice a coach, player or priest could lead a simple prayer for all those involved.

2. **GOOD SPORTSMANSHIP** – Taunting, baiting and rough play will not be tolerated. If Archdiocesan sport is to reflect Christian values, coaches must emphasize good sportsmanship. Coaches will set sportsmanship goals with their teams and discuss proper conduct. Coaches and players should never show disrespect to game officials. Coaches with concerns about officiating should contact their athletic director and should never approach officials following a game.

3. **SPECTATOR BEHAVIOR** – All spectators at Archdiocesan events must practice good sportsmanship. Spectators must cheer positively and never shout derogatory remarks to coaches, opposing players or game officials. Coaches must emphasize good spectator behavior at their preseason parent meeting by explaining proper spectator behavior in the Archdiocesan Code of Conduct. Coaches, players or spectators may never approach game officials after a contest for explanations of calls or to comment on the game. Coaches are responsible for the behavior of their spectators and should act immediately to stop any unruly behavior.

4. **ALL PLAY** – The ‘all play rule’ guarantees each child **minimum** playing time. In addition, in each game, each child shall play the minimum time equal to the time of one quarter. Athletic Directors/Principals shall monitor their program's coaches for compliance. Repeated violation shall be a breach of sportsmanship. Coaches, under the supervision of their athletic directors, should be certain that **all** players receive playing time **beyond** the minimum.

5. **NO RUNNING UP SCORES** – Children have more fun when a contest is close. There is no place in Archdiocesan sports to humiliate an opponent. When ahead with a large lead in basketball, coaches are expected to not trap at half court, to play all non-starters extensively, to play a tight zone and to not fast break slowing the tempo of the game. Coaches who run up the score may be suspended.

6. **ELIGIBILITY** – Children should not practice or participate on a team until their eligibility is verified by the parish athletic director. Use of an ineligible player, *knowingly or unknowingly*, shall result in forfeiture of the games.

7. **KEEP ARCHDIOCESAN SPORTS FUN!** – Archdiocesan sports are for players and is not a spectator sport. Coaches must always be positive, praising and instructing, not shouting negatively or demeaning players. Good coaches build self-esteem, emphasizing the skills and social aspects of sport, rather than winning. Parents must be supportive and not place undue pressure on their children to succeed. All who participate in Archdiocesan sports must keep the outcome of the game in perspective.
