

SUMMER WORK

(Incoming Second Grade)

Students will be required to complete work over the summer in reading and math. All material will be a cumulative review from the year. Material should be worked on throughout the course of the summer and returned in September.

Reading:

Students in the incoming 2nd grade will be required to read at least 2 books over the summer. Students were given a list of books to choose from. For the chosen books, please fill out the Story Elements **and** Reading Response questions provided and return it to school in September.

There is a Reading Log for any additional books that are read by choice. Students should read for 20 minutes per day. Reading response questions are not assigned for additional books. Additional books do not have to be from the provided list. The reading log is optional, but you may return it to your teacher in September for a prize!

Math practice will be in IXL. Students should complete each section. Problems will be in the first grade skill category. For a challenge, students can choose the same topic in a higher grade level. Additional skills or extra practice problems can always be done as well! ☺

IXL Practice 1st Grade skills:

A.10 Count by twos, fives, and tens

D.11 Addition facts – sums up to 20

J.5 Addition and subtraction facts – numbers up to 18
