November brings with it the cool, crisp beginning of the cooler weather. We will be continuing with changes in the season of fall. With this, the time for family and giving thanks will be shared as we will be approaching Thanksgiving. Also, we will be learning about our heritage through stories, lessons, songs, and projects on turkeys, pilgrims and Native Americans. As we come upon Thanksgiving day, we will be discussing healthy food choices. Our new letters this month will include D, E, and F, and we will be introducing number 3. We will finish up with ovals, and begin talking about squares. With God, we will learn about the many things God gives us to be thankful for through how he cares for us and how our family is an important part of how he cares for us.
