27 Letter L, Manners; Catholic Schools Week - Mass 10am for families & Reception	28	29	30	31		

Winter has begun as we rejoice in a New Year! This month we will be discussing another change in our season, winter. Here, we will be doing some snow explorations in the classroom, and if we get real snow, our investigation will lead us outside as well. Our month will begin with some lessons on the Inuit Indians who live among this cold environment. We will be moving through our alphabet with letters I, J, K and L. Our shape, the star will lead us into a lesson on the Epiphany in which we celebrate the arrival of the 3 wise men. We end the month with the start of Catholic Schools week. Be sure to watch for Catholic School events as it approaches. We are looking forward to guiding each student in the newness and rebirth of the new year!
