24 Letter O, Opposites; Number 8 & Grouping to 10	25 NUT Day	26	27 Pink Day – Bring in Something Pink today!	28		

We begin our month with our First Friday mass at 9:15am. Feel free to join us. The children will be celebrating Valentine's Day with a special class party organized by our class parents on 2/13. Letters this month include M, N, and O. We will introduce the concept of opposites as we learn letter O, about manners as we learn letter M, and about nests as we learn letter N. Numbers 7 and 8 will be introduced, and we will begin counting and grouping to 10. Pink is our new color. Be sure to help the children select something pink to bring into school on the 27th.
