We are excited to begin our month with Read Across America Week where the children will be introduced to the wonderful world of Dr. Seuss. Numbers 9, 10, and 11 are our new numbers this month, and our character letters P, Q, and R will be added to their vocabulary. We will talk about wind in March with Lions and Lambs, and move into an introduction on what it means to rhyme. In celebration of St. Patrick's Day, please bring in something green on the 13th, and our Class Moms will be surprising them with a special celebratory snack on the 15th! We end the month with the beginnings of spring as we hopefully start the warmup from the cold winter months.
