10 February 2020

Dear AMBS Parents & Guardians,

Our Catholic Schools Week celebration certainly exemplified the qualities of our school and highlighted AMBS as the great school we all know and love! I am so happy that your family is part of our school community! With that in mind, we are beginning the re-registration process for the 2020 – 2021 school year!

There are two **VERY IMPORTANT** reasons to re-register **NOW** and not delay:

1. **All families that participate in the re-registration process now (PK - 3 through Grade 7) will receive a \$500.00 grant per child applied to your tuition account for next year!!!** This is made possible through the generous support from *The Most Blessed Sacrament School & Education Foundation!* On behalf of our school community, I want to thank the Foundation for their continuous support of Catholic education and, in particular, our school! Your family must re-register by no later than Friday, 6 March 2020 in order to be eligible for this grant. After this date, the grants will no longer be made available to current families, so please do not delay! Of course, all 2019 – 2020 obligations and financial responsibilities must be current, as well.
2. **The Aid in Lieu Transportation Form (Grades K – 8) must be submitted now to the public school districts and any delay may jeopardize some or all of the funding you are entitled to receive!!!** Please complete the enclosed form and send it into the main office immediately in order to assure your funding from the state.

If you are interested in applying for tuition assistance, you must do so online as soon as possible using FACTS. You must apply annually as there is no automatic renewal of assistance. A determination of any financial assistance will occur in September.

I am very excited and honored to be a part of this wonderful educational community this school year and hope that you and your families will continue on this journey!

Sincerely,

A handwritten signature in black ink that reads "Thomas J. Altonjy Ed.D.".
