Dear Prospective AMBS Parents & Guardians,

I am so happy that your family has expressed interest in the possibility of becoming part of our AMBS school community for the 2020 – 2021 school year!

In order to secure your enrollment here for next year, please complete and submit all required enclosed forms as soon as possible. Admission will be on a rolling basis, so register sooner than later to avoid disappointment if we've reached a particular class limit.

There are two **VERY IMPORTANT** reasons to register **NOW** and not delay:

1. **All new families that participate in the registration process (PK - 3 through Grade 8) will receive a \$500.00 grant per child applied to your tuition account for next year!!!** This is made possible through the generous support from *The Most Blessed Sacrament School & Education Foundation!* On behalf of our school community, I want to thank the Foundation for their continuous support of Catholic education and, in particular, our school! Your family must register by no later than Friday, 1 May 2020 in order to be eligible for this grant. After this date, the grants will no longer be made available to new families, so please do not delay!
2. **The Aid in Lieu Transportation Form (Grades K – 8) must be submitted now to the public school districts and any delay may jeopardize some or all of the funding you are entitled to receive!!!** Please complete the enclosed form and send it into the main office immediately in order to assure your funding from the state.

If you are interested in applying for tuition assistance, you must do so online as soon as possible using FACTS. You must apply annually as there is no automatic renewal of assistance. A determination of any financial assistance will occur in September.

I hope that your family will join us on this educational journey!

Sincerely,
