March 2017

Dear AMBS Friends and Family,

We are excited to announce we will be hosting our 13th annual Big Event on Thursday, May 11, 2017 at Macaluso's in Hawthorne, NJ. Our 'Totally 80's' themed evening will feature a live music from The Benjamins, silent auction, tricky tray, and raffle items. This is one of our school's biggest fundraisers and is always a sold out event. It brings together present AMBS parents, alumni and friends from towns across Bergen and Passaic Counties and beyond.

This is a special year to celebrate our wonderful school as we were one of only fifty private schools in the nation to receive the prestigious Blue Ribbon Award of Excellence this year. We pride ourselves on small classroom size where students ranging from 2 years old to 8th grade receive exceptional academic instruction in a supportive and encouraging atmosphere.

The funds raised annually from our Big Event are used to directly benefit our students, faculty and facility. Last year, at the event our Paddles Up Program raised funds to contribute to our brand new preschool playground which will broke ground this spring.

We are reaching out to you for support through donations of merchandise, services, airline miles, travel accommodations, event tickets, gift certificates, and/or cash to be used toward our auction items. Your generosity will be acknowledged on our website and social media platforms, as well as at the event in our program.

We are a 501(c)(3) organization (EIN 221-724-997/000). If you are able to contribute to our efforts please send your donation by Thursday, April 6th to:

Academy of the Most Blessed Sacrament - Big Event 2017

Franklin Lakes, NJ 07417

If you would rather have your donation picked up or if you have any questions please contact our committee at ambshap@gmail.com. The entire AMBS community thanks you in advance for your support and generosity to help us continue to flourish and educate in Christ's name!

Sincerely,
The Big Event Committee

The Academy of the Most Blessed Sacrament, motivated by the love of Christ, ensures that each student receive a superior caring Catholic environment. Committed to the pursuit of excellence, students are guided through a personal journey of faith, education and service in order to reach their God given potential to become individuals capable of living in a changing and complex society.
