

Summer Reading Log
and Book Report
Forms

Summer Reading Set

This set includes a copy of the Summer Reading letter I send home to my students. You can use it if it will work for you or you may want to make your own.

There is a Summer Reading Log paper for students to list the books they read. There is also a 2-page Book Report for students to fill out about books they read. You can choose how many copies to send home for the summer.

Enjoy!

Summer Reading

I hope you have a great summer! Don't forget to read a lot so you will become an even better reader by the end of the summer.

As you read, fill in the "Summer Reading Log" paper with the names of the books you read. Choose 5 of the books and fill out the Book Report forms for those books. Return this packet to me when school starts and I will have a special treat for you.

Enjoy your summer! Read, read, read!
